Re: *CC Docket No. 88-2, Phase I; Installation and Maintenance
Non-Discrimination Reports*

Dear Ms. Salas:

Pursuant to the Bell Operating Company (BOC) Open Network Architecture (ONA) Amendment Order,¹ and BOC ONA Reconsideration Order² in CC Docket No. 88-2, Phase I, attached are an original and two (2) copies of the installation and maintenance non-discrimination reports for Southwestern Bell Telephone Company for the third calendar quarter of 1998.

The reports were due to be filed with the Commission on October 31, 1998. Due to an administrative error, however, the filing deadline was inadvertently missed. I apologize for any inconvenience this may cause.

Should you have any questions regarding this data, please feel free to call me at (202) 326-8888.

Respectfully submitted,

Todd Silbergeld
